

**St. Martin of Tours, Amityville, CYO REQUEST for PAYMENT PLAN**

St. Martin's CYO consists of many dedicated volunteers and talented children. Our motto is that "no child will be turned away," regardless of family or financial circumstances. We realize that there are some very real and significant financial difficulties for some families in the community. Nevertheless, our organization is required to charge all participants registration fees to cover the various obligations and expenses that exist.

**Coach's Discount:** To be an officially registered coach, you must: 1. Take VIRTUS and be up to date; 2. Take the 1-time CYO Coaches' clinic; and, 3. Fill out a Background Check and any other necessary paperwork required by CYO or St. Martin's Parish. You will then receive a \$75 discount for your child.

If you cannot pay in full or need to use a payment plan, the Parish requires that you fill out and return this form before your child will be placed on a team roster, which is required to be eligible to play in CYO games. **A deposit of at least \$25 is required** to file this form. **Penalties apply**, including payment of all bank fees and possible roster removal, for dishonored checks.
